VOTE TUESDAY, NOVEMBER 7

DON BRADLEY

South Ward Councilman

DRUGS...

"As a Drug Counselor I came face to face with the violence and human misery that's destroying our youth and turning our streets into battle zones. **I am absolutely committed to the eradication of drugs in the South Ward.**"

MORALITY...

"As a Sunday School Teacher I always taught my students the worth of **honesty, hard work, community service, and high moral standards.** These are the values that I learned at home and church as a child and have carried into my professional, community and public life."

MAKING TOUGH CHOICES...

"As Chairman of the Alcoholic Beverage Control Board tough choices were an everyday thing. **I made them without hesitation,** and we enforced the laws for the citizens of Newark."
